**Expert Committee for classification and categorization  
of scientific meetings and conferences  
Banja Luka, 04.10.2019.**

**REPORT EXCERPT**

**on the scientific meetings/conferences classification and categorization performed**

The scientific conference „**New Economy 2019**“, organized by the **Oikos Institute, Research Centre from Bijeljina, Bosnia and Herzegovina**, has been classified and categorized. Namely, upon receiving the objection and the respective supplementary documents, the Committee acknowledged the newly received information and classified the scientific meeting/conference as an **international scientific conference**, which resulted in awarding it with **17 points** based on the applicable classification and categorization criteria, thus placing it in **category one**.

Expert Committee for  
classification and categorization  
of scientific meetings and conferences
